Scout Oath

On my honor I will do my best to
do my duty to God and my country
and to obey the Scout Law;
to help other people at all times;
to keep myself physically strong,
mentally awake and morally straight.

Scout Law

A Scout is trustworthy, loyal, helpful, friendly, courteous, kind,
obedient, cheerful, thrifty, brave, clean and reverent.

Outdoor Code

As an American, I will do my best to –
Be clean in my outdoor manners;
Be careful with fire;
Be considerate in the outdoors;
Be conservation minded.

Why Cub Scouts?

- Fun and fellowship with other families, sharing your pride in the girls' and boys' accomplishments.
- An organization where youth enjoy the outdoors, learn life skills and good citizenship, and grow into teens and adults who have strength of character and are sensitive to the needs of others.
- Cub Scout youth interact with good role models: caring adults and also young men and women in Scouts BSA (ages 11-18).

How to Join Cub Scout Pack 12

1. We welcome diversity! Cub Scouts do not promote any specific religion. Scouts and adults may join without regard to race, country of origin, religion, or sexual orientation. We do honor our Duty to God but as stated previously do not require a specific religion.

2. Cub Scouts can join: By having their parent/guardian fill out an application, and paying \$175. This covers the National and council BSA registration for a new scout (\$155), plus a neckerchief and a small pack fee. You also have the option of ordering Scout's Life Magazine for \$15. Scholarships are available in case of financial hardship.

3. Adults are encouraged to join: By filling out an application; and by doing the BSA on-line "Youth Protection" module; and by paying \$45. This includes yearly insurance, a background check, the national yearly dues and a subscription to "Scouting" magazine. You must join if you are a den leader. The pack will pay for ½ of the registration for adults who have a leader position. Pack 12 will also pay ½ of all (completed) training fees.

4. Uniform: Scouts will need a blue uniform shirt and several patches (world crest, council patch, numerals 1 and 2). The total cost is about \$50. We recommend you buy the shirt a little large so it will last for a couple of years! Fourth and Fifth graders may instead buy the tan scout shirt which is also used in boy scouts. Go to www.scoutstuff.org and order on-line or you can go to the Occoneechee Scout Shop located at 3231 Atlantic Avenue, Raleigh NC.

Meetings

Most of the meetings will be devoted to fun and advancement in grade-level Dens. The second Tuesday of each month will be reserved as a Pack Meeting for all the Dens to meet in one large group. The den names are Lion (K), Tiger (1st), Wolf (2), Bear (3rd), Webelos (4th) and Arrow of Light (5th). The cubs at each level have age-appropriate activities with a goal of earning their rank badge by the end of the school year.

Parents are required to attend with the Kindergarten and 1st grade cubs, and strongly encouraged to stay with scouts in the older grades. Cub scouting is a family activity!

All levels of cub scouts and their families are invited to special pack activities such as the Pinewood Derby car race and camping trips. There also may be den-level special activities.

Safety

A main goal for our pack is to have fun and experience Scouting in a safe, supportive, cooperative and happy environment. Youth safety is a priority of Scouts BSA. All Scouts, parents, and siblings are expected to follow the BSA "Guide to Safe Scouting" rules during indoor and outdoor activities.

Two-Deep Leadership: Any interaction of adults with youth requires the presence of at least two adults; one adult must be a registered female leader for activities involving girls.

Covid/Masking Recommendations: We will hold activities outdoors whenever possible. Cubs and adults may choose to wear masks.

Adult training includes mandatory Youth Protection Training for all leaders and recommended for all adults in the pack. Other available training modules are (for example) Hazardous Weather and Safe Swim Defense.

A few more details...

Cub Scouting relies on parent participation to run successful programs. Each grade-level group requires a den leader. At least one female leader is required for each den with girls. Other positions include Cubmaster (Tracey Dissel); Committee Chair (Karen Hassett); Yates Representative (Brian Nunnally Jr.); an advancement chair (to help with records and awards); treasurer; webmaster; and pack photographer.

Siblings: Are always welcome to attend all activities with their parent. We have some activities available for younger siblings. Depending on the sibling's age, they may be able to participate in Den activities if the Den Leader agrees and there are sufficient supplies.

Camping and Other Activities: "Cub Scout camping is family camping." This means that during our Pack 12 camping (and other outdoor events), we camp in family units.

Have Fun!: Always Remember, Scouting is "fun with a purpose." When planning activities, we all need to remember the "KISKIF" principle: Keep It Simple, Keep it Fun!. If you and your Scout are having fun, GREAT! If there are ever issues which prevent you and your Scout from having a good time, please discuss it with the Cubmaster, Assistant Cubmaster, Den Leader and/or address it to the Committee Chair.
